GSA-056-21

ADVANCE LIFE SUPPORT (ALS) VEHICLES WITH MAINTENANCE CONTRACT

Questions received from: Guam Auto Spot 09/09/21

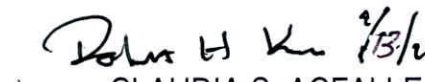

Question 1:

Photos of existing vehicles, if possible, showing the overall color / design, lettering and graphics requirements.

Question 2:

There is no mention of any storage requirements or cabinets in the vehicle. There is sufficient room behind the second bench seat for storage of the defibrillator/monitor, CPR device and Narcotics Analyzer Kit. Does the customer expect any additional storage cabinets? Is it possible to ask them what brand of chest compression unit and defibrillator/monitor they prefer.

Response: The deadline for any "Questions & Concerns" was on 9/03/21
